Chairman Campbell called the meeting to order to meet with the Edgefield County School Board. He stated that this meeting is an opportunity for Council to speak with the School Board about Edgefield County issues.

Chairman Campbell started the meeting by inviting the Edgefield County School Board Members to the Intergovernmental Meeting to be held on Monday, January 30, 2012 at 6:00PM.

Chairman Campbell then stated that there were three things he briefly wanted to discuss with the School Board Members. He stated that Edgefield County is working on a Strategic Plan and he wanted the Edgefield County School District to be involved every step of the way to be sure that any needs in the Education category can be discussed. He also stated that they would be an important part of the Economic Development category too and he wanted them involved in that aspect as well.

Chairman Campbell then stated that he wanted to see the Edgefield County School Board Members and Edgefield County Council Members work together with good communication to be sure that together the two groups could do what is best for everyone.

The last thing Chairman Campbell wanted to discuss was that the County Council decided unanimously that Economic Development is essential in the County and they wanted to the Edgefield County School Board to work with Council on this issue.

Chairman Campbell closed by recognizing that there are a lot of great things going on in the Edgefield County School District and he wanted the School District Board Members to know that the County Council Members do recognize these good things.
